Subject: Please OPPOSE the APS Proposal

Mar 20, 2017

Chairman Tom Forese
1200 W. Washington
Phoenix, AZ 85007

Dear Chairman Forese,

I am contacting you today about Arizona Public Service Company's proposal to increase the Basic Service Charge on customer electric bills.

Many older Arizonans live on a fixed income. Those customers on a basic rate plan will have to pay this increase even before turning on a light switch and no matter how much energy is used in their home. It's just not right to increase the fixed charge portion of the bill.

The APS proposal is harmful to consumers. It may drive up electric bills and gives many consumers less control over how much they pay every month.

Please do the right thing and OPPOSE the APS proposal.

Thank you,

Ms. Floretta Adkins
